Hello,

You probably(should have) received a new summons for the case I told you last Friday was supposed to plea on Monday, which turned into Tuesday, which then turned into the defendant balking and it got put back on for Monday, 3/19 by an angry judge. Please don't come to court until you hear from me. IF we get up and running on Monday, I think the earliest I would need you would be Tuesday. Unlike the judge, I know how busy your schedules are; do you think you could even come on Tuesday?

Thanks,

Kristen
